Tool Sets for Every Job

SATA

MADE TO TRUST
MADE TO CHALLENGE™

Discover Our Tool Sets

Having a well-equipped mechanics tool set is the key to completing any job efficiently and safely. Whether you're an expert technician or an automotive enthusiast, the right tools can make the difference between a smooth, successful repair and a day full of stripped nuts and challenges.

Our sturdy and well-organized cases keep all tools neatly arranged and readily accessible for action. With SATA tool sets, projects can be completed confidently and efficiently, ensuring you're always well-prepared for any mechanical task.

At SATA, we offer reliable mechanic tool sets, prioritizing quality, range, and price/performance ratio. Each set contains a comprehensive selection of tools that cover all bases, from sockets and wrenches to pliers and screwdrivers. Crafted from high-quality materials, these tools ensure confidence, safety, and durability during your work.

56 Pc. 1/4" Construction Tool Set

Features

- Comfort Grip Ratchet with quick-release design allows rapid socket removal
- 72-tooth design requires as little as 5° of swing arc to move a fastener
- Full range of most common pliers with laser-hardened cutting edges cut clean and remain sharp longer
- Adjustable wrench features an extra wide jaw opening for greater capacity
- Hex keys housed in impact-resistant, nylon fiber caddy with quick key removal
- Magnetic box level offers maximum versatility and is easy to operate
- Tape measure with double-sided blades contains integrated D-ring with keychain attachment for carrying or storing convenience
- The screwdriver blade is made of high-performance alloy steel for maximum strength and durability

72-tooth cushion grip ratchet

Full range of most common pliers

Get your work done effortlessly with the new SATA 56-piece 1/4" Construction Tool Set. This set is equipped with the new Comfort Grip Ratchet, a complete range of the most common pliers, a 9-piece set of impact-resistant hex keys, a magnetic box level for maximum versatility, a tape measure with double-sided blades, and an integrated D-ring. It contains all the essential tools needed for most vehicle repair and construction projects.

- 21 - 5/15" Shank 30L Bits: Phillips #3, #4; Hex 8, 10, 12, 14 mm; Slotted 8, 10, 12 mm; Torx® T40, T45, T50, T55, T60, T70; Tamper-Proof Torx® T40, T45, T50, T55, T60, T70

Features

- 72-tooth design requires as little as 5° of swing arc to move a fastener
- Ratchets with teardrop, low-profile head, and flush-mounted on/off switch allow for better access in tight spaces
- Sockets with single hex (6 pt.) fastener end design
- Sockets feature an off-corner loading design to reduce fastener rounding
- Standard and deep socket options to reach more fasteners
- Ball point hex keys are housed in an impact-resistant, nylon fiber caddy and allow for angled access to fasteners

The most comprehensive and specialized set of the new line of SATA MHT Sets offers a wide selection of tools for mechanical repairs. This set includes the SATA Comfort Grip Ratchet with a quick-release feature for easy socket removal. It also provides sockets with an off-corner loading design, standard and deep sockets for versatile fastener access, and 17, 19, and 21 mm protected impact sockets for safe and efficient tire changes when used with impact drivers. Housed in a durable storage box, all of the tools meet or exceed DIN and ASME standards and are covered by the SATA lifetime warranty.

Introducing new Quickview

Whether you are looking for a versatile set for general repairs, a comprehensive kit for mechanical tasks, or a specialized tool set for construction work, SATA understands that choosing the right tool set is critical for achieving professional results and maximizing your productivity.

Check these overviews to find the tool kit that perfectly aligns with your individual requirements and applications.

NEW

SATA Comfort Grip Ratchets

Quick release ratchet for easy socket removal

Flush reversing lever for convenient single hand direction change switch

72-tooth design requires as little as 5° of swing arc to move a fastener

Teardrop, low-profile head allows for better access in tight spaces

Chrome Vanadium

Experience the next level of performance with the innovative comfort grip ratchet collection, available in three sizes 1/4", 3/8", 1/2" to suit your specific needs.

The SATA comfort grip ratchets are equipped with a quick-release mechanism for rapid socket removal, a 72-tooth design for a 5° swing arc, and a flush-mounted reversing lever to switch directions effortlessly, without releasing the ratchet. Designed with accessibility in mind, the SATA ratchets feature a teardrop, low-profile head and a flush-mounted on/off switch, enhancing access to tight spaces. The increased handle length offers more torque and access, while the dual material construction ensures a comfortable and ergonomic grip.

COMFORT GRIP

8% thinner and 14% longer than 120XP version

22% thinner and 20% longer than teardrop version

35% thinner and 20% longer than round head version

- Longer handle to increase torque and improve access
- Slim profile head provides enhanced accessibility in tight spaces

Choose the size that suits your needs (1/4", 3/8", 1/2") or opt for the complete set, including three ratchets, to unlock versatility for any project.

Comfort Grip Ratchets

Article Code	Description
ST11971G	1/4" Drive Quick-Release Teardrop Ratchet (72-teeth)
ST12971G	3/8" Drive Quick-Release Teardrop Ratchet (72-teeth)
ST13971G	1/2" Drive Quick-Release Teardrop Ratchet (72-teeth)
ST14901G	3 Pc. 1/4", 3/8" and 1/2" Ratchet Set

Ratchet Guideline

Ratchets are versatile and essential tools for a wide range of applications, from automotive repairs to construction projects. This comprehensive guide is designed to assist you in finding the right ratchet by offering an overview of different types, sizes, and features.

RATCHET TYPE	1/4"	3/8"	1/2"	3/4"	3 PC. SET	SPECIFIC APPLICATION	TOOTH COUNT	HEAD STYLE	HEAD THICKNESS	LENGTH	HANDLE TYPE
