**MADE TO TRUST  
MADE TO CHALLENGE™**

**Dear Tool Enthusiast,**

Save the date for the International Hardware Fair in Cologne, Germany, this coming March 2024. Over four days, the fair will serve as a premier platform for the world's leading hand tool manufacturers. We are pleased to announce that SATA will present its extensive range of hand tools and services for professional users in Industry, Automotive Service, and Construction.

We cordially invite you to join us at our booth located in

**hall 10.1, stand no. C10/D11,  
from March 3rd to 6th, 2024.**

Immerse yourself in the excitement as we unveil our innovative products. Experience firsthand our highlight tools, engage with the SATA experts, and explore the latest additions to our collection, such as the new SATA Mechanical Hand Tool Sets and the innovative SATA Comfort Grip Ratchets.

**Let us together elevate your business success with SATA.**

Sincerely,  
Your SATA EMEA Team
